Dear Parent/Caregiver

Your child will be given the opportunity to select their elective subjects for 2020. Karratha SHS offers a pathway for every child and we invite you to work with the school to select the most suitable subjects that will allow your child to make choices that best reflects their goals and aspirations. Selecting the most suitable pathway is crucial and it is important that you and your child are well informed about the choices available.

Year 9/10 Course Selection Guides for 2020 are on our website under the Teaching & Learning tab or by clicking [here](#). All students must choose at least one Technologies and one Arts elective to meet the School Curriculum & Standards Authority (SCSA) curriculum breadth & depth requirements.

Students are required to complete their preferences via our online portal at <https://client.subjectselectiononline.com.au/?school=4422t>. You need to follow all of the instructions throughout the site.

To login for the first time, use the forgotten password link, enter the email address supplied to the school upon enrolment of your child and you will receive an email stating your login code (Student Number) and a prompt to set your password.

To ensure you selections are secured please pay the deposit of \$100.00 to the front office by COB Friday 9 August 2019.

If you have any questions about the 2020 Course Selection process, please contact the school on 9187 8000.

Yours sincerely

Ashley Eversden
Year 9/10 Deputy Principal
