Dear Parents / Carers

### **2019 Elective Subjects - Years 8 to 10**

As a school we are well underway with our planning for 2019. An essential part of this is your child selecting their elective subjects for 2019 and if necessary, paying the \$100.00 deposit for extra cost electives. Thank you to those parents who have completed both of these steps.

**Should either of these steps not have been completed, the deadline for this is Monday 27 August 2018.**

Required actions:

1. Selection of elective subjects for 2019 – this now needs to be done via paper form and handed to the front office. Your child has been given this form.
2. Payment of the \$100.00 deposit for extra cost electives.

Should either step not be completed by 27 August 2018, your child will be placed in elective subjects for 2019 that do not involve any additional costs. These subjects may not be your child's first choice. Changes after 27 August will only be possible if places are available in the extra cost electives and the deposit is paid.

All questions in relation to selection of electives should be directed to the Deputy Principal for your child's 2019 year group:

Mrs Debbie English – Year 8 2019

Mr Ashley Eversden – Years 9 & 10 2019

Questions relating to the \$100.00 deposit should be directed to:

Mrs Tracey Bell, Manager, Corporate Services

Please check with your child and meet the deadline so that we can ensure we are meeting your child's educational needs for 2019.

Yours sincerely

Jennifer McMahon  
Principal
