Dear Parent/Carer

### **2019 Pilbara Science & Engineering Challenge**

In 2019 the Pilbara Science & Engineering Challenge will be held in Karratha. This is a national Science competition and will involve Year 9 students from schools across the Pilbara participating and competing in a day of Science and Engineering related activities. More information can be found by Googling "Science and Engineering Challenge", and following the links to the University of Newcastle's website.

This event is free of charge and will be held at the Karratha Leisureplex within the normal school day. The challenge will be held on Monday, 27 May 2019.

On the day of the event, students need to attend Mentor Group as normal at the start of the day to have the attendance marked. They will be given information on where to go in order to attend the event.

Students will be provided with a sausage sizzle for lunch on the day of the event. Students should bring their own recess and if they have any special dietary requirements, their own lunch also.

To give consent for your child to attend, please sign the attached permission form and return to the Science Office by Friday 17 May.

If you require any further information please contact Cameron Ross at the school on 9187 8000, or via email using [cameron.ross@education.wa.edu.au](mailto:cameron.ross@education.wa.edu.au).

Kind regards

Cameron Ross  
Student Wellbeing Coordinator

6 May 2019
